		"Mutton" but mutton			
		The "C" force brigade was a hard one to beat. They knew how to fight, and they knew how to eat.			
		With a natural love for Canadian meat, and a hearty appreciation for mutton.			
		Committed to Hong Kong the voyage was stark.			
		The ship "Arctia" with wicks or dead, these species of birds filled the "Arctia" to "Arctia".			
		There was bread, butter, and mutton.			
		He scrambled ahead his poor innocent draft.			
		Paul knew what provisions were stored in the craft.			

37

at Wood Point Prison Camp.
